- [x] Life vest for each paddler
- [x] Safety whistle
- [x] Delivery and pickup at your dock
- [x] Pedal kayaks: pedal drive and built-in dry storage

Dry bags are included when available, not with every rental.

Why 3 to 7 days is the best value

The 3 to 7 day price is one flat rate, so a 3-day rental and a 7-day rental cost the same. A single kayak for a week is $120. Seven separate days at the 1-day rate would be $315.

Checked November 2026. Prices, fees and availability can change, so confirm when you book.
